Norwich Nest, No. 1395, O. O. O., meets in Owls Hall.
Wauregan Lodge, No. 6, K. of P., meets in Pythian Hall.
St. Anne's Society meets in T. A. B. Fuilding.

Olef Otto Olson of Chicago has pur of Lisbon. It contains about 50 acres of land, with house and several other huildings, and there are 100 bearing fruit trees on the place. Herbert Irons worked the place for over 40 years.

both the matinee and eventhe theatre with the smile of satis-

playhouse in securing for threof his playnouse in seconds for days communicing vesterday the Ploneer Film exporation's elaborate film spectacle. The Still Alarm.

Few H any stage productions in the annuls of theatrical history have become better known to the American

public than has this great melodrama, which made its appearance in 1850. In presenting The Still Aleym as a photoplay all of the nicuresque charm and remance of the original story has been carefully adhered to and the thrilling fire scene have been depicted in a maner which was unterly impossible on the stage of the articulate drama. than has this great melodrama.

drams.

William Duncan in the great Vitagraph serial The Men of Might certainly furnishes the thrills in good
shape in this week's episode. It is
the best show ever seen in Norwich
and will be repeated today and temorrew. There will be another camplete
bill of vandeville and pictures Thursday.

BREED THEATRE.

Evelyn Neshit in her first William Fox photoplay. The Woman Who Gave, will feature the program at the will feature the program at the Breed theatre today. In The Woman Who clave this beautiful and accomplished William Fox star plays the part of an artist's model in the studios of Paris ed in this absorbing indoplay. The first episode of Pathe's greatest and best aerial. The Lightning Raiser, with Pearl White and Warner Oland, will also be shown. This picture presents Pearl White in a thrilling logical story rivaling in interest the mystery and electrication tales of Edwar Allen Dec and detective tales of Edgar Allen Poe and

A Harold Lloyd comedy and the Pathe news make up the remainder of the bill for inday.

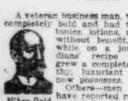

Bristol.—The public woodward repor shows: Received for wood, \$4,110.31 received for poles, \$2,548.64; total, \$6, 458,95; expense over receipts, \$1,

Redding.—Unusual honors for valor in military service have been won by First Sergeant J. B. Sanford of Co. K. 7th infantry, who has not only re-ived an individual citation and the distinguished service cross from the United States but has been awarded a British military medal for valor. Ser-geant Sanford is the son of Mr. and Mrs. Jonathan B. Sanford of Redding.

Winsted.—Henry Jacobs of Mill Brook and Lewis Richards, an East End storekeeper, were before Judge Frank W. Seymour in the town court answer to the charge of selling hard der in less than gallon lots. Attorney Donald J. Warner of Salisbury, liquor prosecuting agent for Litchfield county, prosecuted. Jacobs was fined \$20 and costs, in all \$41.92, and Richards was taxed \$10 and costs, the whole amounting to \$27.47. Evidence against the accused was obtained by the Vinsted police.

SO EASY! LIKE ROLLING OFF LOG

Sore, touchy corns stop hurting, then lift right out with fingers

You corn-pestered men and women nat nearly killed you before, says this incinnati authority, because drops of freezone applied directly on a tender, aching corn stops soreness at in be lifted out, root and all, without

A quarter ounce of freezone costs very little at any drug store, but is sufficient to take off every hard or soft corn or callus. This should be ried, as it is inexpensive and is said not to inflame or even irritate the sur-rounding tissue or skin. After you lift

Not a Bite of Breakfast Until You Drink Water

lays a glass of hot water and phosphate prevents illness and keeps us fit.

Just as coal, when it burns, leaves behind a certain amount of incombustible material in the form of ashes, so the food and drink taken day after day leaves in the alimentary canal a certain amount of indigestible material, which if not completely eliminated from the system each day, becomes food for the millions of bac-teria which infest the bowels. From this mass of left-over waste, toxins and potomain-like poisons are formed and sucked into the blood.

POETRY TAKE IT EASY.

Full-length in Take-It-easy
He stretches through the days.
Around him silken breezes—

And that's enough for me.

If jarred at Take-it-easy, a. Where only sluggards basic You stake him by the shoulder And point to him his task.

The will turn to nothing. The world and all its ways. The while, twix' shrug and gesture, in careless wise he says: "Though others serstch and scramble,
I let the whole world be:
The flower grows, the wine flows.
The dawn smiles, the noon glows.
The bee sucks the red rose—
And that's enough for me."

If still you shake his shoulder, And still the theme pursue, With talk about his duties. And all that he should do.

HUMOR OF THE DAY

-Sydney Bulletir

"What's the use of cussing so con "Well, you can't run it by lung owe," Brooklyn Citizen. "If I should kiss you what would sopen?"

"I'd call father." "Then I won't do it."
"But father's in France." - Judge. Tuess I'll have to take a course in lege," said two butcher,

THE KALEIDOSCOPE As a beet-puller, Mrs. William Ish, f Findiay, O., thinks she beats the orld. In just two weeks she pulled 2 tons of beets, topped them, and ad them in the sugar factory. Casseroles and other pottery dishes ould never be placed in a very hot en or on a hot stove without first ing warmed a little. A sudden

ange of temperature may cause

icm to crack,

China had women soldiers long be-cre they were known in Russin, Dur-ng the Tae Ping rebellion 1859, women, as well as men, served in the ranks. In Nanking, in 1853, an army or 500,000 women was recruited. In Turkestan every wedding en-sagement begins with the payment of a substantial consideration to the girl's parents. If the girl filts her lover the engagement gift has to be returned, unless the parents have anther daughter to give as a substitute. The extensive potash deposits in the district of Mulhouse, estimated at 100,000,000 tons of pure potash will arve to break the German potash nonopoly, especially it the Franch everyment should retain control. Al.

ations between the allied nations. FOR FEEBLE, OLD PEOPLE

ery also makes the suggestion that a potash deposits of Alsace will rve to bring about closer economic

ohn Devitt Recommends Vinol To

Create Strength and Vitality Mariton N. J.—'I am 69 years of age, and after a severe sickness was in a weak run-down condition. Vinol has built me up and made me strong, so now I feel real well again, and I can recommend it to others for such conditions."—John M. Devitt.

The reason Vinol was so successful n Mr. Devitt's case is because it conand manganese peptonates, and glycerophosphates, the very elements needed to build up a weakened, run-

lown system, make rich, red blood and create strength. It is perfectly wonderful what it does for old people Broadway Pharmacy, G. G. Engler, Prop., Norwich, Vinol is sold in Willimantic by the Wilson Drug Co.: in Danielson by the A. W. Williams Pharmacy, and in Putnam by J. P. Donahu, and druggists everywhere.

FARMERS The Progressive National Farm Loan Association of Norwich, on applica-tion by reliable farmers will give full particulars on borrowing money se-cured by mortgage with the Federal Land Sank. Inquire of SIMEON ROSANO, Secretary Telephone 1203-3 R. F. D. No. 6.

AUDITORIUM. Standing Room Only" was the greeting that awaited the opening of the new policy at the Auditorium yesing performances, and the four big vandeville acts were all that was said of them in advance, and everyone left faction on their faces, and the Audi-torium management will surely play to apacity houses in the future if the

capacity houses in the future if the standard set yesterday is to be continued as announced. Every act is clean and high class in every way, each receiving a big reception at their opening and several boys.

In keeping with the progressive policy of this theatre. Manager Connelly of the Auditorium announces one of his greatest coups in the history of his playhouse in securing for three

artist's model in the studies of Paris, where a crippled American artist is painting a masterpiece. A Bulgarian prince sees this picture before it is finished and falls in love with the model. Through a misunderstanding he forces her to marry him and takes her away before the picture is finished. The artist grieves and loses his sight and returns to America with his brother. A son is born, but the prince, who has married his wife for her beauty, hates the boy because it deprives him of his shjoyment of his wife's charms. At last she rebels and flees to the artist for protection. How the artist, blind and crippled as he is, gives his life to secure her, happiness
